

NATURE'S NEW JOURNEY

Natures New Journey was planned, written and drawn by Haider, Areebah, Husna, Farhad, Zaki, Jamaal and Amaan, Year 6, in an after school eco art club at Thornton Primary School, Birmingham UK.

This zine is dedicated to the world.

HOPE SPRING IS
SOUND ASLEEP

WAKE UP,
WHY AREN'T YOU LISTENING?
THIS IS VERY IMPORTANT!
COO COO, COO COO!

HOPE HAS GONE TO WORK,
BUT SOMETHING FEELS
DIFFERENT TODAY

MR SMOKE
WE ARE SLOWLY
KILLING THE EARTH,
DON'T YOU SEE? THIS
FACTORY CREATES A GAS
WHICH MAKES THE TREES,
ANIMALS, AND US SICK

YOU'RE SACKED!
GO HOME

I FEEL SAD FOR THE ANIMALS THAT ARE GOING TO BE EXTINCT, I DON'T WANT THE WATER AND SEAS DIRTY

WELL DONE, NOW GO TO THE GOOD FACTORY

LET ME SHOW YOU
HOW THE GOOD FAC-
TORY WORKS....
THESE ARE MY
GOLEMS

AIR GOLEM

EARTH GOLEM

WATER GOLEM

FIRE GOLEM

WE CONVINCE PEOPLE TO STOP
LITTERING AND POLLUTING,
TO SAVE THE WORLD

PLASTIC POLLUTION IS
THROWN INTO THE RIVERS
AND SEWERS AND GETS
CARRIED TO THE OCEAN.

PEOPLE DON'T CARE,
THEY JUST WANT
TO GET RID
OF IT!

THE WATER IS
DISGUSTING!
BROKEN SHIPS,
PLASTIC BOTTLES,
STRAIGHT UP
RUBBISH!

USING MY POWERS,
I TAKE THE PLASTIC AND
RECYCLE IT INTO MORE
PEOPLE WHO
BECOME GOLEMS!

THE WATER CAN
FLOW NOW,
THE FISH CAN
BREATHE AGAIN!

THE CAT NEEDS THE AIR GOLEM,
SHE CAN'T BREATHE ANYMORE

THIS PLANET
HAS OXYGEN
AND YET HUMANS
ARE MAKING IT
DIRTY

ANIMALS HAVE RIGHTS
TOO, WE CAN'T TAKE
THEM AWAY!

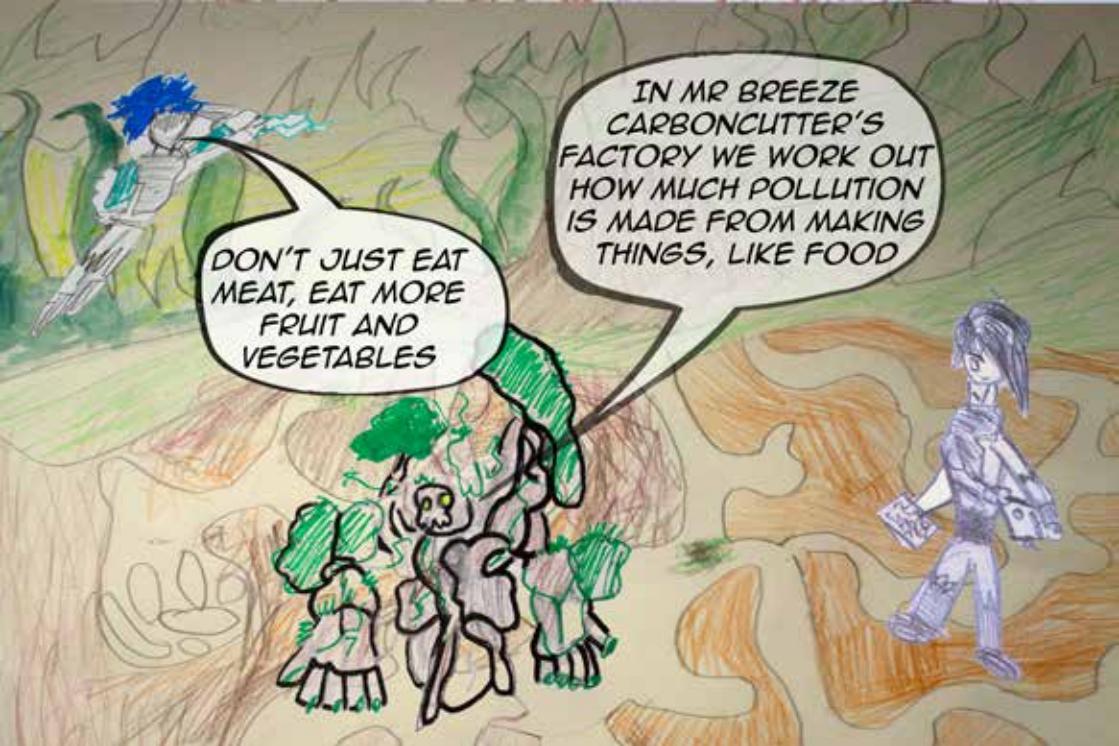

THANK YOU
AIR GOLEM

THE EARTH GOLEM HELPS
US CONNECT TO
BEAUTIFUL NATURE

COO COO! THIS IS MY TRUE FORM.
I AM THE EARTH GOLEM.
I CHANGE PEOPLE'S
MINDS!

PLANT MORE
POLLEN
FLOWERS
FOR THE
INSECTS!

HOPE SPRING SPINS HER STAFF THREE TIMES TO FIND THE FIRE GOLEM

THE FIRE GOLEM APPEARS!

HELLO, HOW ARE YOU?

FEELIN' THE GOOD HEAT FROM THE EARTH'S CORE

MR SMOKE, I WILL MELT AWAY YOUR GREED!

HOW DARE YOU? OUCH!!

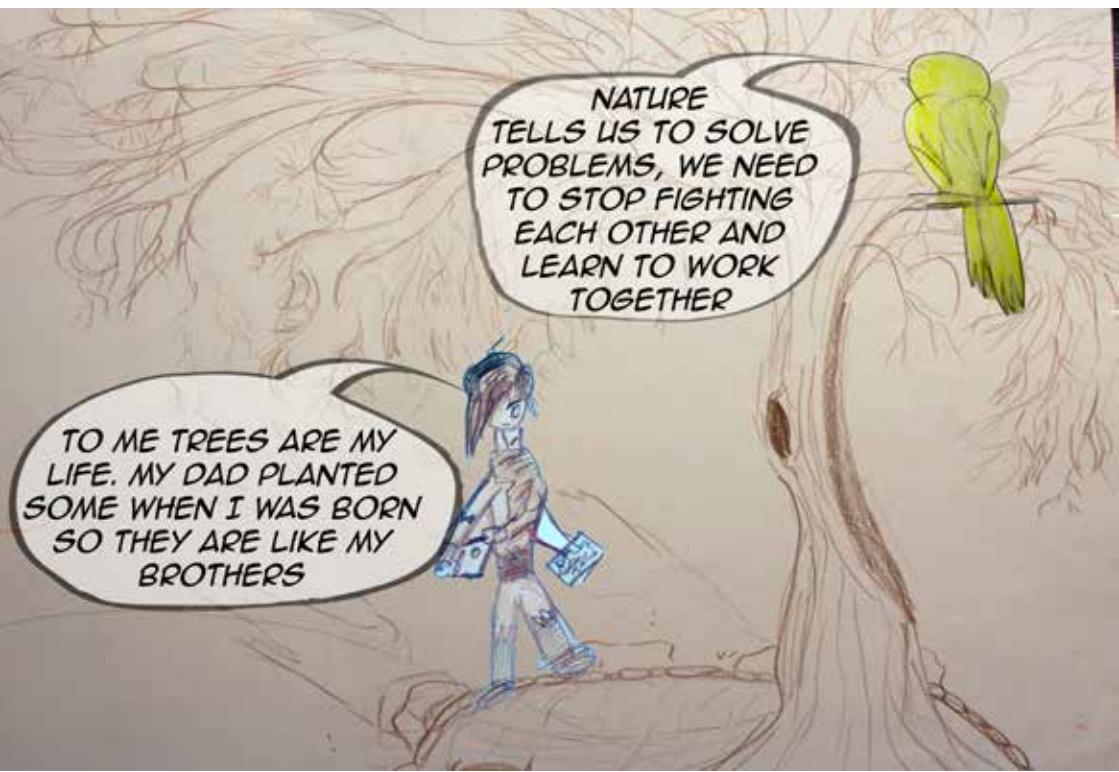

NOW YOU FEEL
THE POWER OF
GOODNESS,
MR SMOKE!

ZAP!

BOOM!!!

MR SMOKE

TRANSFORMED

NOW I CAN SLEEP, FINALLY...
ALL IN A GOOD DAY'S WORK!

IF YOU CAN MAKE SOME OF
THESE CHANGES, YOU CAN
CHANGE THE WORLD.
IF WE CAN DO THIS
IN OUR STORY,
WHY CAN'T YOU?

Natures New Journey is part of the WASH Project in Ward End Birmingham, connecting communities with nature to take Climate action.

This zine was created by year 6 pupils at Thornton Primary School, Birmingham, working with artists Jaime Jackson and Pearl Jackson-Payen from Herefordshire New Leaf and Salt Road, with the help of the pupils' teacher Zafroon Bibi.

Pages prepared for print with help from Desk Publishing

Thornton School wants their children to enjoy using Knowledge and skills and to question and explore, to acquire positive attitudes, as well as to gain independence, in order to become lifelong learners.

The National Lottery Community Fund is funding Norton Hall Children and Family Centre to make The WASH (Washwood-Heath Adaptation & Sustainability Hub) possible.

Co-production with Zafroon Bibi, Pearl Jackson-Payen and Jaime Jackson.

Natures New Journey is a co-production zine by Thornton Primary School and Herefordshire New Leaf for the WASH project at Norton Hall and Children and Family Centre, Birmingham
